

Bowling Night – November 2009

The first Christmas social evening took place on 19 November at Barnsley Bowl and a good night was had by all.

46 members turned up for the Christmas bash. The evening started with basket meals, mince pies and Christmas cracker fun. This was followed by 2 games of bowling. The groups were split into 9 teams so Wombwell SAC practically took over the place.

There were lots of fancy bowling moves taking place, such as bowling backwards between the legs, sideways bowl and a cracker by Amanda which involved following the ball down the alley on her backside!

At the end of the evening, all the children received a Santa's selection box and went home tired but happy.

The results of the bowling contests are below and a big thank you to everyone who turned up. Watch this space for the next event.
